RE: Public Records Request — Air permitting records for 2875 Stanton Road S, Southaven, MS 38671 (former Duke Energy plant site; current occupant xAI / MZX Tech, LLC)

To the Public Records Officer:

Pursuant to the Mississippi Public Records Act (Miss. Code Ann. § 25-61-1 et seq.), I request access to and copies of the following records for the period January 1, 2025 to present, pertaining to the property at 2875 Stanton Road S, Southaven, MS 38671 (DeSoto County), and to xAI, MZX Tech, LLC, MZT Tech LLC, or any affiliate, contractor, or agent acting on their behalf at that site:

1. All applications, registrations, or notifications for air emissions permits of any type, including PSD (Prevention of Significant Deterioration) construction permits, Title V operating permits, state operating permits, general permits, and permits-by-rule, including all engineering submittals, emissions calculations, modeling files, and attachments;
2. All claims of exemption, applicability determinations, or requests for coverage determinations regarding stationary combustion turbines, engines, or generators at the site, and all MDEQ responses thereto;
3. All correspondence (letters, emails, meeting notes, call logs) between MDEQ and xAI, MZX Tech, LLC, their consultants (including but not limited to Trinity Consultants), or their counsel regarding air emissions, permitting strategy, turbine operations, or compliance at the site;
4. All inspection reports, complaint records, notices of violation, enforcement referrals, or compliance determinations for the site;
5. All records regarding storage or use of aqueous ammonia at the site, including any records connecting ammonia use to selective catalytic reduction (SCR) systems on combustion turbines;
6. Any pending or draft permits, public notice records, or comment-period materials for the site.

For clarity: I am seeking to determine whether any stationary combustion turbines at this site are operating, or are planned to operate, with or without air permits.

If any portion of this request is withheld or redacted, please identify each record withheld and cite the specific statutory exemption relied upon, as required by the Mississippi Public Records Act. If any records do not exist, please confirm that in writing. Electronic delivery (email or download link) is preferred. If estimated fees will exceed \$25, please contact me with an estimate before fulfillment.

Please note that Miss. Code Ann. § 25-61-5 requires a response within seven (7) working days of receipt.

Thank you for your assistance.

Sincerely,

Wade Ivy
